# MERCHANT

Dear Merchant:

HCCI welcomes you to be a part of the Bradhurst Business District Merchant's Association where our goal is first to come together around issues of common concern such as Sanitation, Safety, Quality of Life and the growth of our local businesses.

HCCI, Harlem Community Development Corporation (HCDC) and the New York City Department of Small Business Services are jointly implementing a new initiative called "Avenue NYC." This initiative will develop a strategy that will attract a mixture of new commercial uses to the area with a special focus on Frederick Douglass Boulevard (8th Avenue) between 144th and 163rd Street, 145th Street between Malcolm X Boulevard (Lenox Avenue) and St. Nicholas Avenue and 155th Street from Adam Clayton Powell Jr. Boulevard (7th Avenue) to Bradhurst Avenue.

Avenue NYC also seeks to market the retail area, reduce storefront vacancies and attract new businesses and new consumers to this shopping area.

Your input in this initiative and your experience will be invaluable and we truly want you to be a part of it!
